A man cultivating corn WALKS 214 miles a day if he plows four acres and makes two trips to the row. He rides only 11 1-8 miles to plow for acres with an

which does the trick at one trip.

He has to turn around at the ends 560 times when he walks and plows Mr and Mrs. T. E. Turnes, of nounces to when he rides he only turns 280 times.

Allowing 1/2 of a minute for each Pamplin, spent the week end turn he saves when riding we have two and one-third hours' time each day, he plows instead of turns.

Let us show you an Oliver Cultivator. It's economical.

APPOMATTOX HARDWARE COMPANY

Are You in DANGER!

If you are in the habit of keeping money or valuables on your person of about your house, you are certainly in danger.

You are in danger not only of being robbed, but of having some worse fate befall you. There are, sad to say, those who would not hesitate to commit murder, if necessary, to expedite & robbery that they have planned.

You will be safer and your money certainly will, if it is deposited in bank We not only offer you 100% safety, but will add 4 per cent interest to your balance each year.

As to your valuables, you can real a safe deposit box in our vault which they, too, will be really safe.
